CAPABILITY STATEMENT | FEDERAL MEDICAL SUPPLY & SURGICAL INSTRUMENT SOLUTIONS

Wholesale distribution of surgical appliances, medical supplies, and instruments for the federal healthcare marketplace.

COMPANY OVERVIEW

Steadfast Gov Access LLC is a dynamic small business specializing in the wholesale distribution of surgical appliances and medical supplies (NAICS 423450) and the manufacturing and sourcing of surgical and medical instruments (NAICS 339112 & 339113) for federal healthcare customers. Headquartered in Hastings, MI, we serve VA hospitals, Defense Health Agency medical commands, Defense Logistics Agency depots, and HHS procurement offices with compliant, quality medical products and end-to-end federal contracting support. Our team combines deep knowledge of FAR/DFARS with hands-on expertise in the medical device and surgical supply sector — from SAM.gov registration and socioeconomic certification through proposal development, contract award, and post-award administration.

CORE CAPABILITIES

★ **Federal Medical Supply Distribution (NAICS 423450)** — Wholesale distribution of surgical appliances, medical supplies, and related products to federal healthcare facilities, VA hospitals, and DoD medical centers with full regulatory compliance.

★ **Surgical Instrument Manufacturing Support (NAICS 339112 / 339113)** — Manufacturing and sourcing of surgical and medical instruments for federal procurement under FAR Part 12 commercial item acquisitions and AbilityOne program requirements.

★ **Federal Healthcare Proposal Development** — Proposal writing and capture support targeting VA, DHA, DoD medical commands, and HHS procurement opportunities — full lifecycle from RFI through final submission and award.

★ **SAM.gov Registration & Compliance** — Entity registration, NAICS alignment, socioeconomic certifications, and ongoing compliance monitoring for medical product suppliers entering the federal marketplace.

PAST PERFORMANCE

Project	Description	Period / Result
Federal Medical Supply Market Entry	Assisted a medical device distributor with SAM.gov registration, NAICS 423450 alignment, and capability statement development — resulting in their first VA supply contract award.	2024–2025 1st VA Contract Awarded
Surgical Instrument Sourcing — DoD BPA	Supported sourcing and compliance documentation for surgical instrument procurement under a DoD medical command Blanket Purchase Agreement (BPA).	2023–2024 BPA Award — DoD
VA Healthcare Supply Proposal	Led proposal development for a surgical appliance supply contract targeting the Department of Veterans Affairs National Acquisition Center (VA NAC).	2024 Submitted — VA NAC
